

Ridgewood Neighborhood Association
P.O. Box 1128 Soulsbyville, CA 95372

Dear Neighbor:

We, the Ridgewood Neighborhood Association (RNA) encourage you to join your neighborhood association. The RNA was founded November 16, 2004 to create a structure that encourages the residents to follow the Ridgewood Covenants, Conditions and Restrictions (CC&R's) through a voluntary Board of Directors. Additionally, the RNA provides the following:

1. Community Website: ridgewoodsonora.org – check it out.
2. Community Newsletter.
3. Maintain and increase the spirit of awareness, for fire safety, and security. Ridgewood is an official Firewise USA neighborhood, and an established Neighborhood Watch Community.
4. Informing the residents of City and County activities that affect Ridgewood.
5. Community social events with guest speakers.
6. Encouragement of residents to abide by community CC&R's.
7. Manage the Ridgewood Propane Cooperative.

The RNA has created “blocks” to improve communication and the Block Captains’ names and contact information can be found at

<https://ridgewoodsonora.org/ridgewood-neighborhood-association-contact-list/>

If you should have any concerns, suggestions or need to report something unsettling, please don't hesitate to contact your Block Captain.

An application to join is attached -- the dues are only \$20 per year.

We look forward to seeing you around the neighborhood,

Karen Hebert, Ridgewood Block Captain Coordinator
