

Thank you to all who attended the Ridgewood 108 Firewise event on March 9, 2025. We had a very good turnout of 44 homeowners and 11 service professionals offering discounted rates to Ridgewood residents.

A special thanks to our presenters; Debbie Reagan, Ryan Campbell, and Sheriff David Vasquez.

Assemblymember David Tangipa was present via Zoom and gave us the truth about what we can expect in rising fire insurance costs and how we got to this point.

A few of you took the opportunity to sign-up for reusable yard waste bags to be filled and removed from your property on May 3, 2025 in conjunction with the National Wildfire Preparedness Day.

In case you didn't sign up for yard waste bags or were unable to attend the meeting on March 9th, there is still time and bags available to loan and stay within the trailer capacity for debris.

Also, if you are interested in having some larger branches chipped contact me for the details.

If you are interested in signing up for bags or need more information regarding the chipper, please contact Randy Aceves the Ridgewood 108 Firewise lead @ bighooya@comcast.net.

The deadline to sign-up is April 5, 2025.

Pick-up day for the bags will be April 12, 2025.
