

Hello Neighbors,

I'm excited to announce the next Ridgewood Firewise Community Outreach gathering!

Please mark your calendars for:

Sunday, April 26, 2026
2:00-4:00 p.m.
TC Fire Station 56 (Mono Vista Station)
16925 N. Sunshine Rd.

This will be an occasion to connect with neighbors and learn how we can work together to significantly reduce the fire risk in our community!

Join me on April 26th for a chance to engage with local experts and gain vital information on creating defensible space to protect your home and your neighbors'.

We'll cover individual responsibilities and the critical importance of fire mitigation and prevention. We'll talk about a Grant opportunity for a Ridgewood Community workday!

Mark your calendars and set a reminder because this is an event you won't want to miss!

More details will follow. Although RSVP is not required, it would be greatly appreciated.

As a special incentive, the first 50 attendees to sign in at the event will receive coupons (good for 1 year) for discounted services to help prepare your home for wildfires.

What could be better than a free estimate and a discount for services that increase your home's chance of surviving a wildfire?

Questions and comments are always welcome! You can send your RSVP via return email or text me at 925.337.3736 with your name, address, and phone number.

🔥 Together, we can make a difference! 🔥

Hope to see you on Sunday, April 26, 2026, from 2:00-4:00 pm at Fire Station 56.

Respectfully,

Randy Aceves
Ridgewood Firewise Coordinator
