

# RNA Board Meeting Minutes

June 8, 2026

Chris Amend's Garage

**Board of Directors (BOD) Present** – Dave Ballard, President, Chrystal Aceves, Vice President, Karen Hebert, Membership and Communications, Kristin Ballard, Treasurer

**Committee Chairs/Block Captain Present** – Chris Amend, Architectural chair/block 2 captain, Randy Aceves, Firewise Committee Lead

The meeting of the RNA BOD was held at Chris Amend's garage and was called to order at 3:04 pm by President Dave Ballard. Dave confirmed a quorum was present and proceeded with the meeting.

## **General Business**

Dave asked for input on how often the newsletter should be sent. The consensus is a few times per year, but emphasis was given on keeping the website up to date for homeowners.

The attendees discussed the large number of homes for sale in the RNA. Karen noted that she emailed the RNA social event flyer and mailed five copies. The Evite went out as well so we can gauge how many will be attending. So far, we have 35 people coming.

We then talked about the details of the social event on June 14, 2026, at the Moose Lodge. The theme is the USA semi quincentennial years of Independence. The donations received so far and plans to secure several more were discussed as well.

The group agreed to invite the two candidates for District 2 Supervisor (Ryan Campbell and Juli Healy) to mingle with our residents at the social event. This was a suggestion from resident Ed Popke.

## **Architectural Committee – Chris Amend**

Chris gave approval to a resident to install a split rail fence on his property. He would like to state that he appreciates those who reach out to him.

## **Firewise Committee Lead – Randy Aceves**

Randy stated that he is waiting for a new draft of Zone Zero details and he will update the website when it is received.

## **New Business**

The BOD and committee members will reflect on the outcome of the June Social by email. We then talked about the two Ridgewood signs, their maintenance and the idea of adding solar lights. Chris Amend will inspect them and let us know his thoughts.

Next Meeting is scheduled for September 1, 2026, at 3:00 pm
